

3 DAY LIVEABOARD FISHING CHARTERS

Absolute Fishing Charters will be running a series of **3 Day fishing Charters** during the months of **February, March, April and May 2015**. These trips will utilise the long range capabilities of our 46' Westcoaster "**Reel Therapy**".

These trips will be departing Coffin Bay enabling us to access the fish rich waters of Greenly and Rocky Islands with limited travelling time.

The general structure of a **3 DAY CHARTER** is as follows:

Guests are asked to arrive in Coffin Bay around midday on their departure date. At around 1400hrs we will load your gear aboard and prepare for a 1500hrs departure. Weather depending we will make our way out to Greenly Island for the night. In doing this it enables us to stock up on live bait and gets us fishing straight away the following morning. The next three days will be spent jigging and live baiting for Samson's and Yellowtail Kings around Greenly Is, Rocky Is and the Four Hummocks, along with some trolling or popper casting for Southern Bluefin Tuna. Prime table fish like Bight Redfish and School Sharks can also be targeted on request. We will return to Coffin Bay around 1500hrs on the third afternoon.

All meals and drinks (except spirits) are included, as is fishing gear (feel free to bring your own). Clothing, sleeping bag and a pillow is all you need to bring. (See what to bring list on next page).

Cost per person is **\$ 1,750.00** for the 3 days. (Max 6 passengers)

To enquire or book your charter, please don't hesitate to contact us.
